Other Reports: The Planning Committee met looking at the sign on HWY 29, Alderperson Kilty took pictures of a sign over by Cadott, possibly can do something similar, we have quotes coming in so board can approve. We have to set a meeting to move forward with the Country Side Estates Covenants and the different requests for the land out there. Alderperson Jaffke talked about the Police Committee meeting; she discussed the savings and the new squad car that was purchased. Outfitting the squad like what we have will take 4-6 weeks to outfit. At the cemetery meeting there was nothing to discuss per the Mayor.
