

# Growin' Owen

## HANGING FLOWER BASKET PROJECT, 2021

If you would like to make a donation in memory of a loved one to this year's Memorial Flower Basket Project, please fill out and send the bottom of this form to Owen City Hall **by May 24, 2021**. The baskets will go up before Memorial Day and an ad will be placed in the papers honoring the memory of your loved ones. A Memorial Poster will also be placed around town.

The recommended donation is \$50 this year. These baskets have gotten better each year with your continued support. Please help us make Owen "Bloom for You"! Donations can be made to the City of Owen and earmarked for the "Growin' Owen" funding which not only tends the baskets but all the wonderful gardens that keep getting bigger thanks to your generosity. New banners will be unveiled for the summer as well!

**Donations of any amount are appreciated!**
